

PROJECT UPDATE

I-90/94 AND WIS 82 INTERCHANGE - MAUSTON - JUNEAU COUNTY

December 16, 2022

Year-End Project Update

The Wisconsin Department of Transportation (WisDOT) has completed work on the I-90/94 and WIS 82 interchange reconstruction project for 2022, and WIS 82 is now open to traffic.

The following work was completed in 2022:

- Reconstruction of eastbound lanes and all structures on I-90/94 between the County G (Sherman Road) and Lemonweir River bridges
- Reconstruction of WIS 82 with new concrete between Kennedy and Commercial streets
- Resurfacing of WIS 82 between Commercial Street and Powers Avenue
- Installed new lighting at roundabouts, and most of the storm sewer, curb and gutter, and sidewalk
- Constructed single-lane roundabouts at WIS 82 and I-90/94 ramp terminals

The following work is scheduled to resume in early spring 2023:

- Remove existing retaining walls and install remaining sidewalk on WIS 82 below the I-90/94 structures
- Install remaining curb and gutter at ramp terminals on the westbound roundabout
- Install storm sewer on County G (Sherman Road) below I-90/94 structures
- Reconstruct I-90/94 westbound lanes and westbound on- and off-ramps
- Intermittent lane closures on I-90/94 to remove concrete barrier, and to place permanent pavement markings
- Complete median work on I-90/94

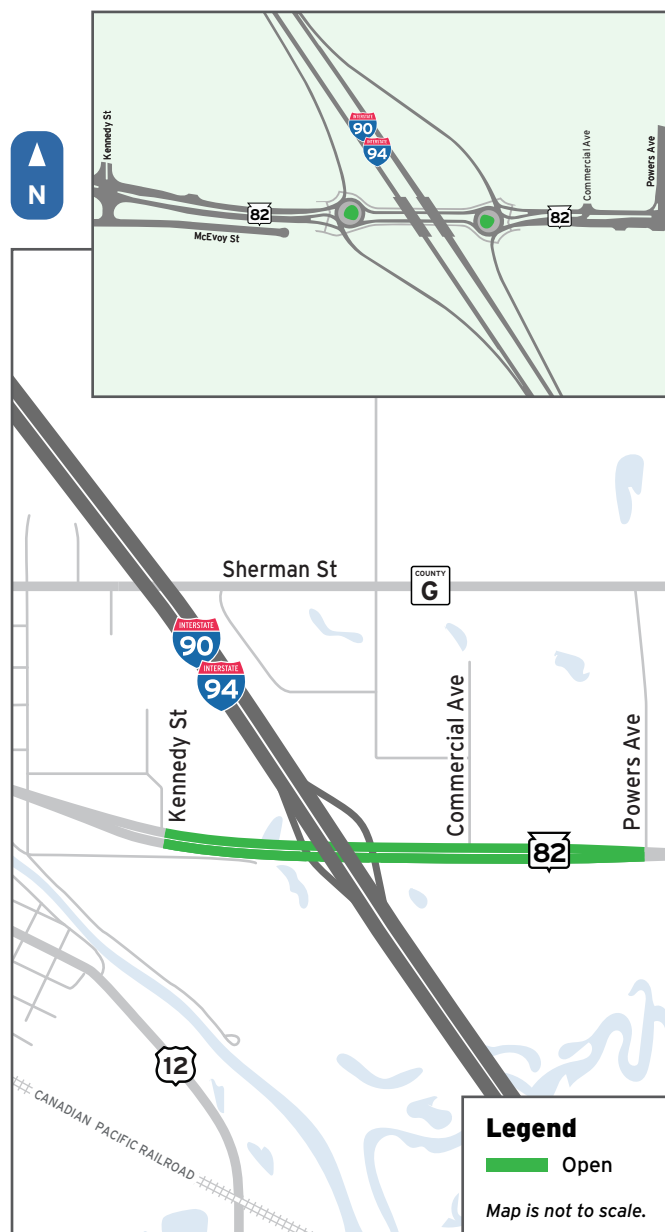

Please note that all work is weather dependent and subject to change.

LEARN ABOUT ROUNDABOUTS

This project is constructing roundabouts at the intersections of WIS 82 and the I-90/94 exit and entrance ramps. To learn more about driving multi-lane and single-lane roundabouts, visit the following online resources:

wisconsin.gov/roundabouts

safety.fhwa.dot.gov/intersection/roundabouts

The project team thanks you for your patience and cooperation throughout this project!
